BUS from MADISON WI to MASON CITY IA

D

Meet Karen Bergenthal and the group at 8 AM at the **Dutch Mill Park & Ride Lot**, on the SE side of Madison WI to depart by private coach to Mason City IA, a five-hour drive. *(If you are flying to Madison, plan to arrive a day ahead. There are several motels close by the Dutch Mill Lot. We will drop off at the Dane County Airport at the end of the tour on Sunday by 4 PM.)*

We will stop en route in Monona IA to see a privately owned house, the **Delbert W. Meier House**, an American System Built Home designed by Frank Lloyd Wright, built in 1917. The house features some original details, including the 100-year-old pebble dash stucco, zinc glass windows and carriage house.

There will be another stop en route for a lunch break (not included) before reaching Mason City in mid-afternoon and checking into our unique accommodations at the **Historic Park Inn Hotel**, which was, together with City National Bank, designed by Frank Lloyd Wright in 1910. The hotel was restored to its 1910 appearance into a 27-room boutique hotel, and reopened in 2011.

After briefly settling in, we will regroup to tour the hotel and have an opportunity to hear about the restoration from several of the key players, over wine and cheese.

Enjoy dinner with the group tonight at the 1910 Grille, in the hotel.

SATURDAY, OCTOBER 27

MASON CITY IA

Start our day at the **MacNider Art Museum**, where we will have a slide show about the prairie-style **Rock Crest - Rock Glen** neighborhood of homes designed by architects such as **Walter Burley Griffin, Marion Mahoney Griffin, William Drummond, and Francis Barry Byrne.**

After a brief browse around the museum, return to the coach with a step-on guide for a bus tour of that neighborhood, concluding at the **Stockman House**, designed by Frank Lloyd Wright in 1908, for a tour of the house and the adjacent Architectural Interpretative Center.

After lunch at a good local restaurant, visit two private homes in Rock Glen: The **Melson House** by Walter Burley Griffin, 1912, and the **Curtis Yelland House** by William Eugene Drummond, 1910.

Enjoy your evening at leisure.
